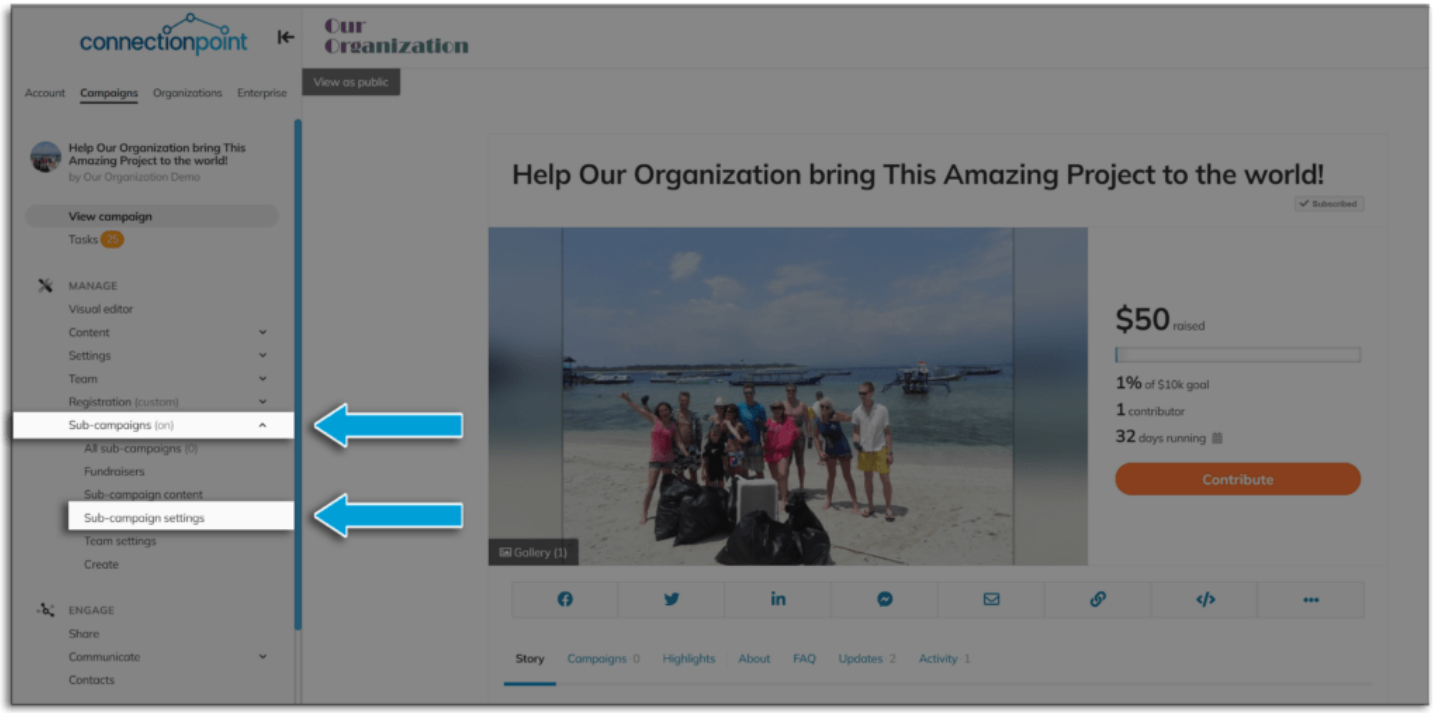
How to set or edit the sub-campaign goal

Sub-Campaigns: Goals & Deadlines · https://connectionpoint.com/help/docs/how-to-set-or-edit-the-sub-campaign-goal/

STEP 1 - Click 'Sub-campaigns' and then 'Sub-campaign settings' in the navigation menu.



STEP 2 - Scroll to 'Sub-campaign goal' and make your choice.

For details on the Static/Dynamic options, see this article.

Sub-campaign goal
Static
Dynamic
Static—You specify the sub-campaign goal (default).
Dynamic—The sub-campaign goal is calculated automatically by multiplying the number of campaign team members by the Team member goal (currently not set).
Static goal amount
$
.00
For best results, enter an amount greater than the Team member goal (currently not set).

STEP 3 - Save
