Sub-campaign Content · https://connectionpoint.com/help/docs/how-to-set-up-rewards-on-sub-campaigns/

**Main and sub-campaigns can have the same rewards or different ones. This article will show you how to switch between sub-campaigns inheriting the main's rewards or allowing them to have their own.**

**For how to create rewards themselves, please click here.**

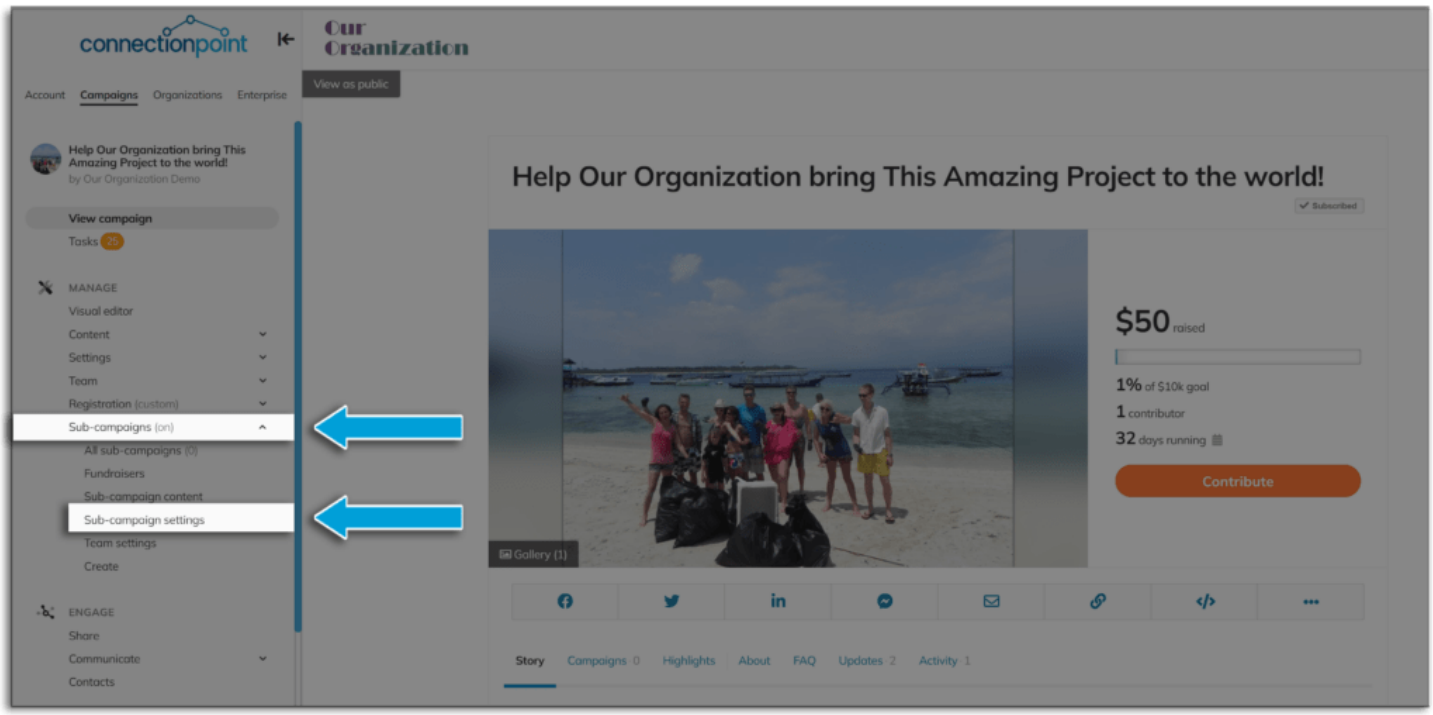
**Same rewards**:

– All sub-campaigns automatically inherit the main's rewards.

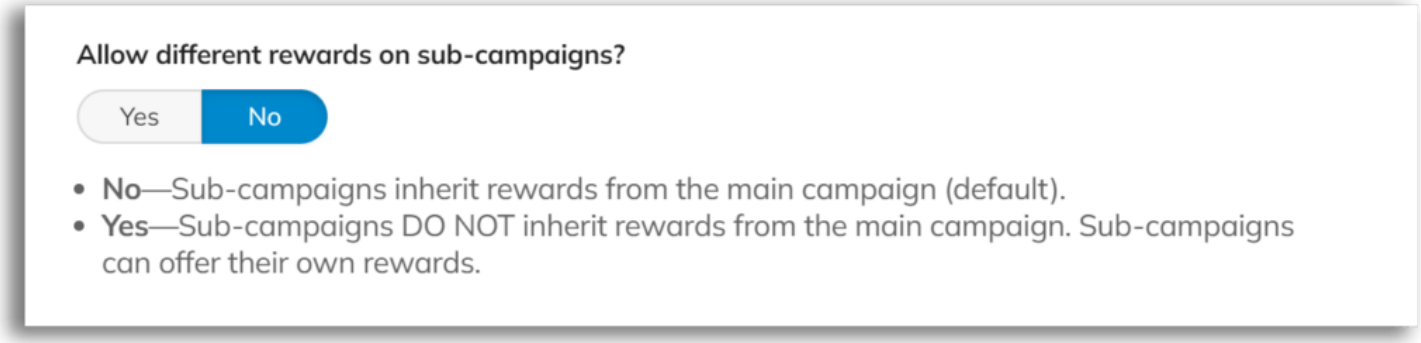
**Different ones**:

– Sub-campaign owners can create their own rewards.

**STEP 1 – Click 'Sub-campaigns' and then 'Sub-campaign settings' in the navigation menu.**



**STEP 2 – Scroll down to ‘Allow different rewards on sub-campaigns?’ and make your choice.**



**STEP 3 – SAVE!**
