How to set up Dedications

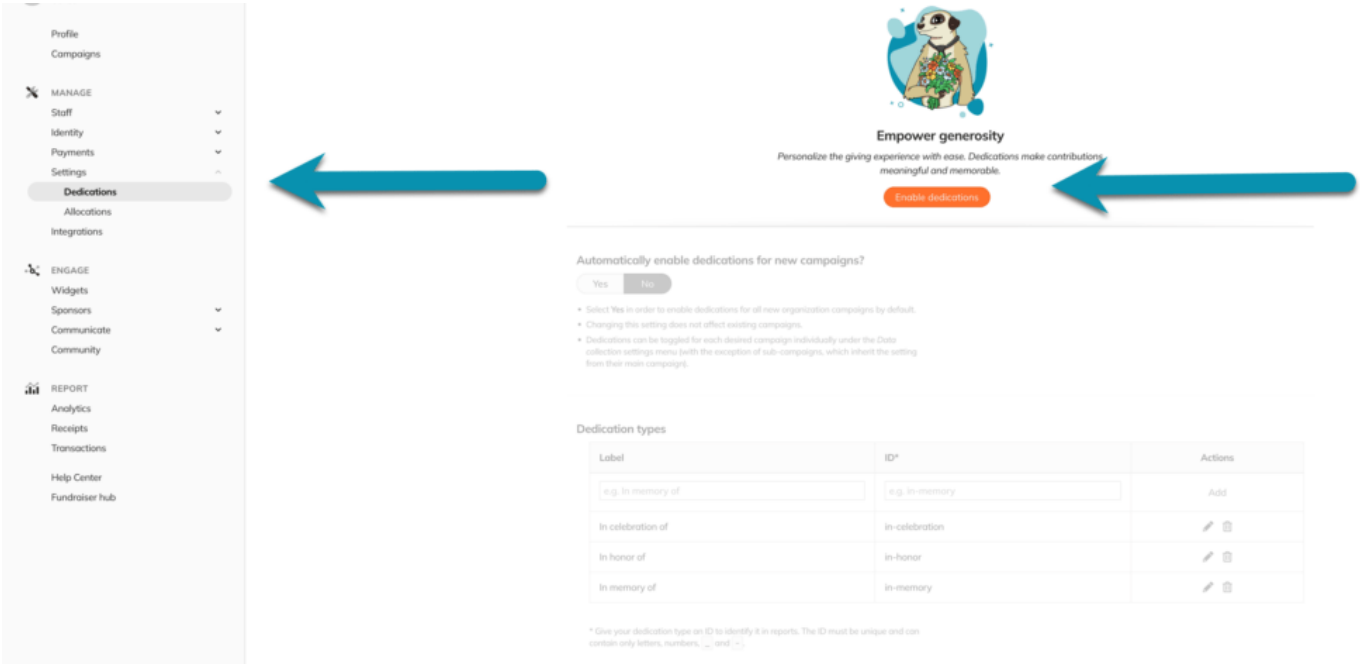

Organization General Set-up & Management · https://connectionpoint.com/help/docs/dedications/

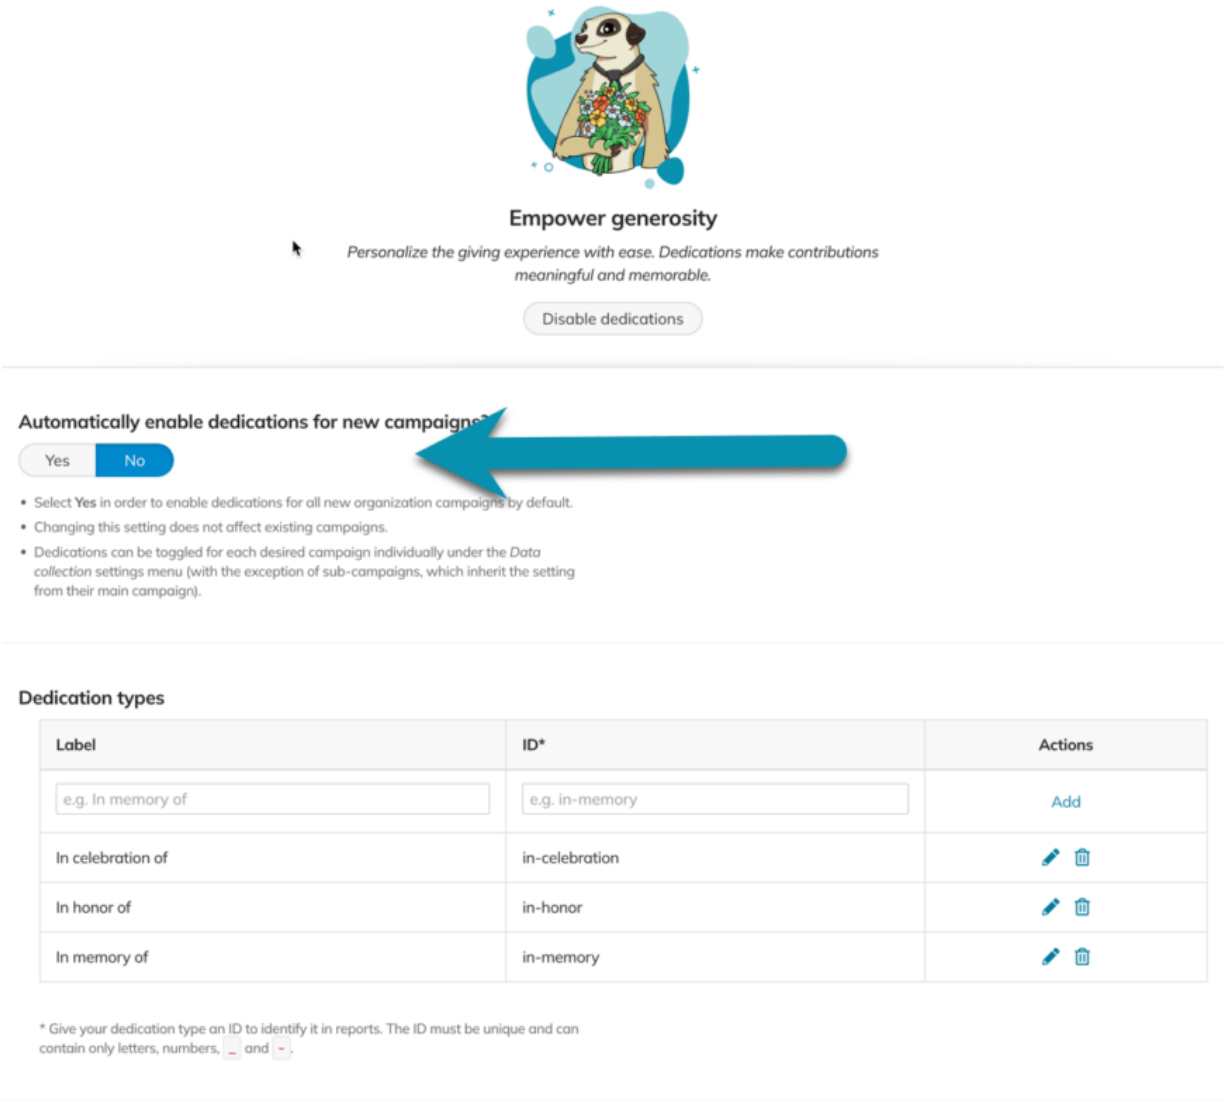

FundRazr, Petfundr & CoCoPay Organizations Only

The Dedications feature is designed to allow organizations to personalize the giving experience.

Setting up Dedications on your organization page:

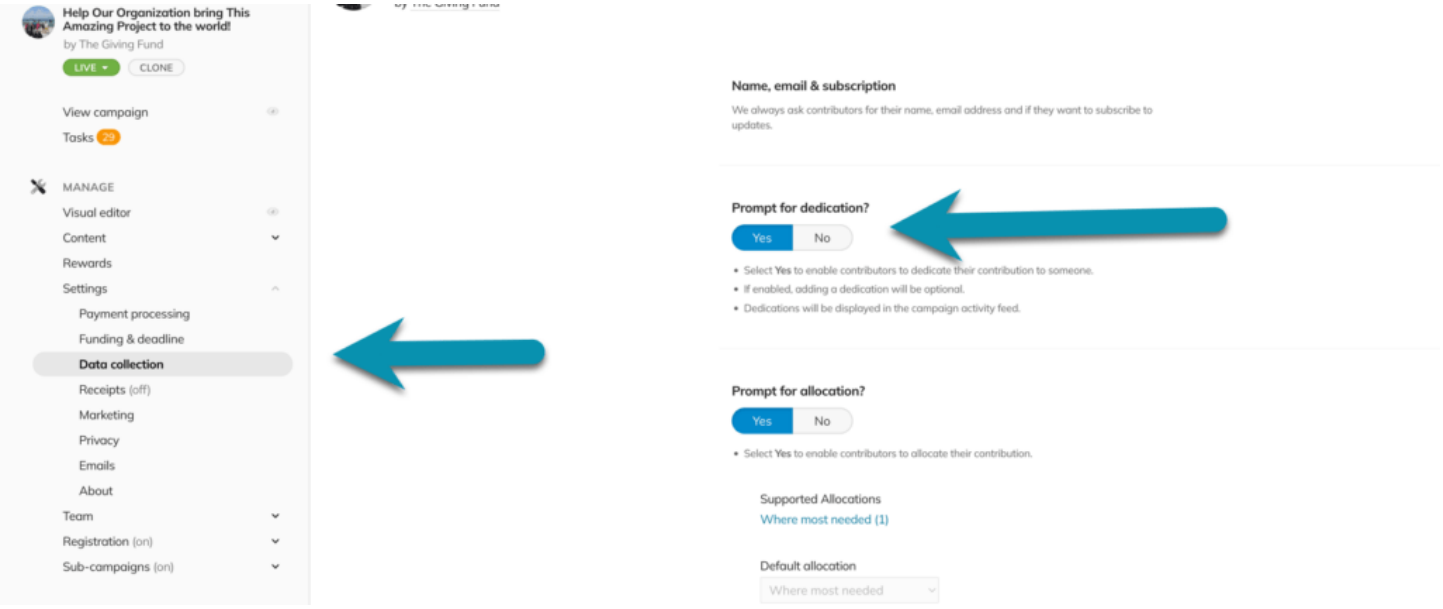

1. Click on the "Manage" section>Select "Settings">Click on "Dedications"
2. Once on the Dedications page, you'll find options to define and manage your organization’s program categories or areas of focus.
3. Decide if you want to enable Dedications for new campaigns automatically.

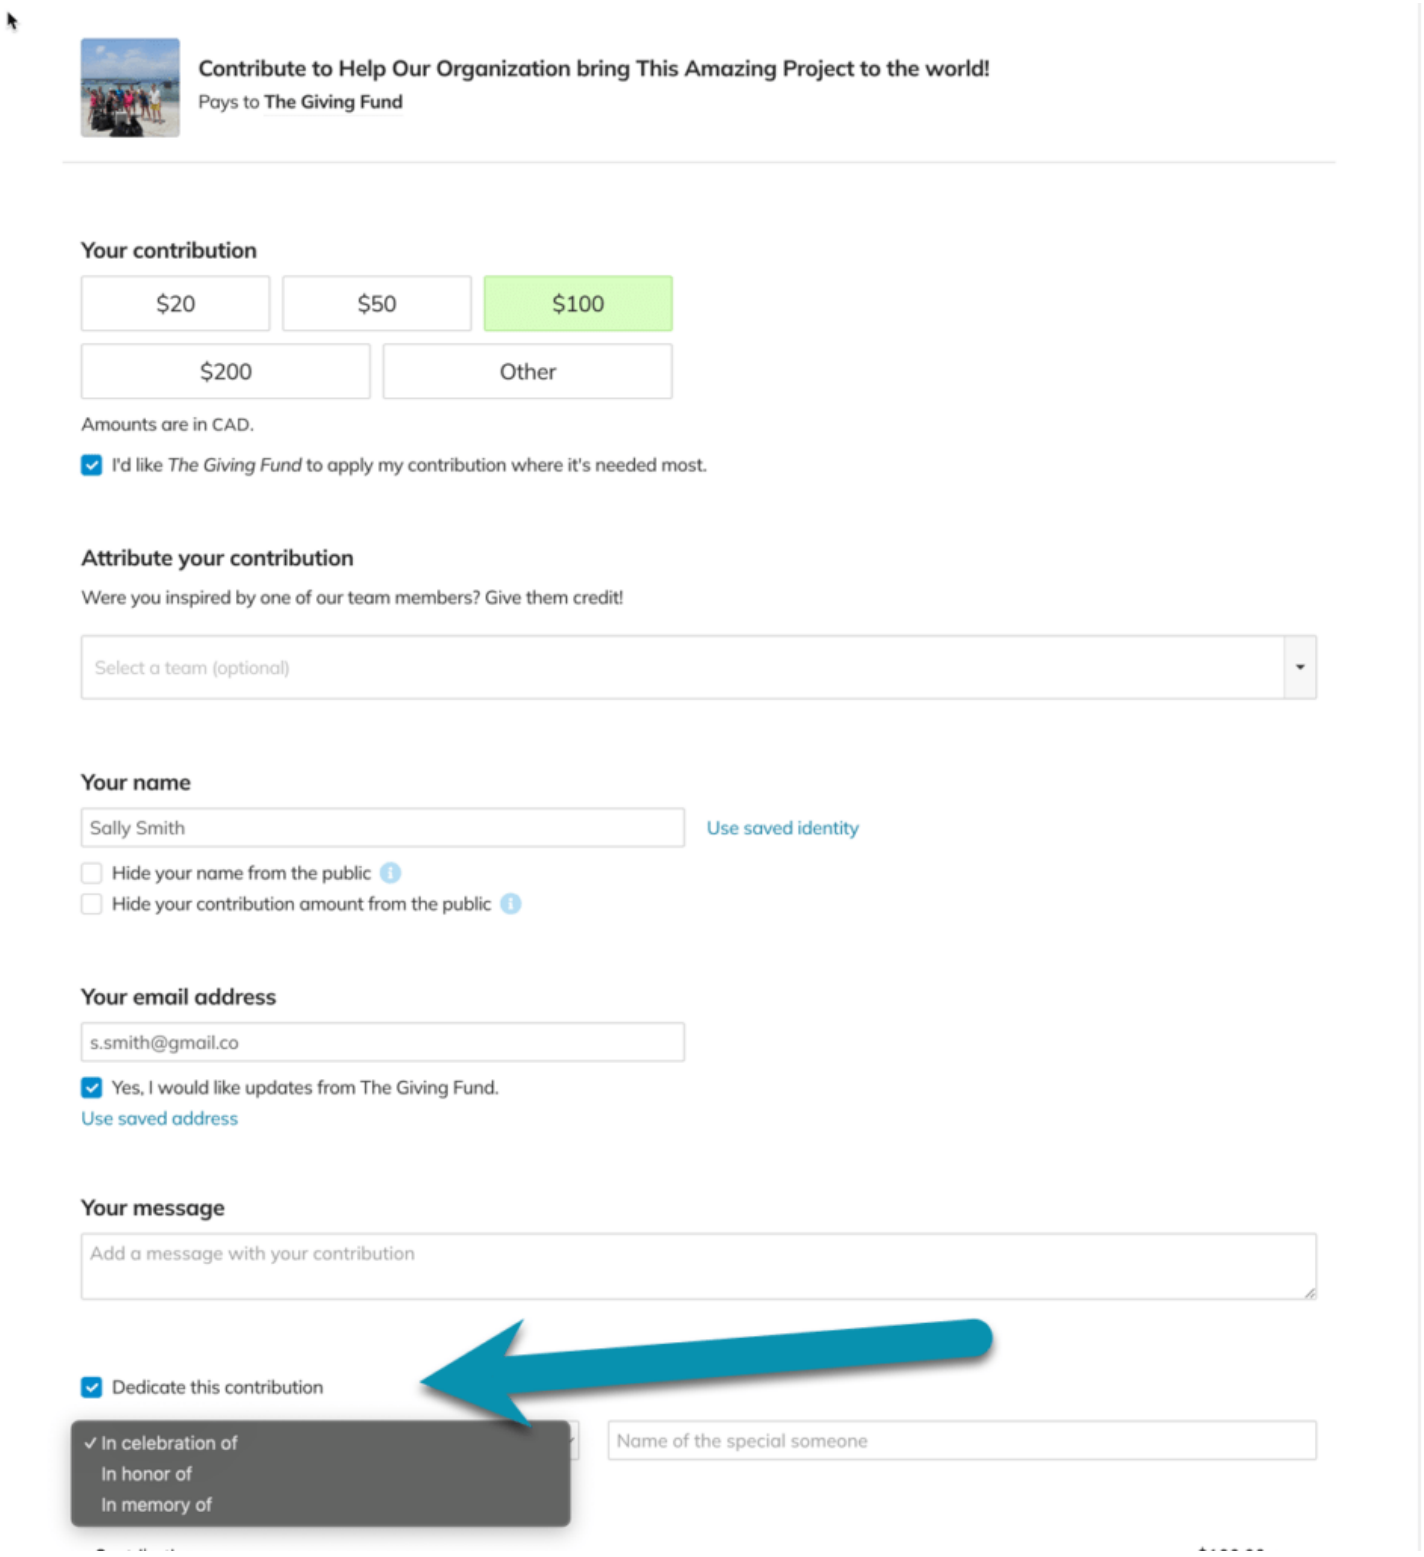

Turning on Dedications on your existing campaigns:

1. Click on the "Manage" section>Select "Settings">Click on "Data Collection"
2. Select "Yes" under Prompt for Dedication

Supporters can choose if they want to dedicate their contribution in celebration of, in honour of, in memory of or if you created a different option.

You can view all Dedications on the Activity Tab and **Transaction Reports** in the "Dedication type" column. (found under the Report Section>Transactions)
