Discord Channels

Live Chat · https://connectionpoint.com/help/docs/discord-channels/

With Discord, you can chat with like-minded crowdfunders and our support teams about your projects, pre-launch strategies, story writing, promotion, funny pictures of your pets....

Your spaces for everything crowdfunding! We have two channels for you:

1. **Fundraiser HUB Discord Channel** for FundRazr, PetFundr, and CoCoPay users
2. **Crowdfundr Discord Channel** for Crowdfundr users

In these channels, you can chat with the ConnectionPoint support team AND fellow crowdfunders/digital fundraisers about:

- General campaign questions
- Feature requests
- Bug reports
- Marketing growth insights
- Campaign success insights
- Platform spotlights
- Share your campaign for us to see
- Show us pictures of your pets if you like!
- Just socialize and say hi!

Our channels are safe, inclusive environments for anyone and everyone to hang out and support each other. All are welcome!

The Fundraiser Hub is a place for discussions about crowdfunding, nonstop knowledge sharing and cozy conversations with other fundraisers.

Discord Channel Rules

These channels are places for discussions about crowdfunding, nonstop knowledge sharing and cozy conversations with other fundraisers and crowdfunders.

Respect is always rule #1. Treat others the way you would want to be treated. Be kind, be polite, be generous, have fun!

Please do not ask for donations. This is a place to discuss fundraising, not do fundraising.

No campaign promotion. You can link to your campaign, but only if it's to ask for support or advice about your campaign.

DMs to other members of the server are not allowed unless you have received explicit permission. If there is a problem with the server or someone not following the rules, please DM our mods.

Vendors, if you have a business that serves fundraisers, you are most welcome to participate in conversations and offer advice but do not use this community as a marketing channel or focus group. If you want to do a webinar for this community, please let a moderator know.

Inappropriate content, including offensive, spam, explicit, violent, illegal, harmful, fraudulent, or misleading content is not allowed. We're not into censorship, but you'll know if it has crossed the in-good-taste line.

Post only what you own. Don't share other people's sensitive data or intellectual property without permission - especially that of your supporters. If you have a question about your campaign specifically, please contact support@connectionpoint.com.

And a final reminder, this is an inclusive community. Don't discriminate, offend or harass other community members. Hate of any kind is completely not tolerated. Not on these channels and not on our platforms.
